This special session is designed for parents of students in the Kenai Peninsula Borough School District to address questions that they may have related to the safe return to in-person learning this school year. Experts from the Division of Public Health will provide information on the status of COVID-19 in the local area, clarify the most up-to-date evidence-based guidance (given the Delta variant) on prevention strategies for schools designed to support keeping students in school, and be there to answer parent questions.

Participants are encouraged to submit questions ahead of time here:
